MINI CUTTER / NIBBLER

J R TECHNOLOGY LIMITED offer this lightweight cutter which has multiple uses in a composites shop. Its excellent ability for cutting: patterns, custom shapes & hand laid laminate makes it a must for every workshop.

FEATURES

- Ergonomic design for comfortable work, minimising fatigue
- Hard, metal coated blades for high cutting efficiency
- Powered by either battery or mains

Ideally suited to lighter weight applications. Its competitive price makes it is a viable alternative to scissors.
